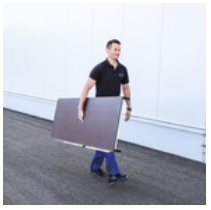
## Added value

### Safe working

- Large-format, non-slip platforms
- Sturdy designs for secure stance
- Optional railing for increased work safety

### Flexibility

- Easy to transport, space-saving in storage
- Sufficient space; depending on version for up to two persons plus working implements and material



### Industrial grade

- Robust design for demanding applications
- Corrosion-resistant fixtures
- Use of high-quality and high-strength materials

### Non-slip plastic shoes

- Ensure secure stance
- High impact and abrasion resistance
- Simple replacement in the event of wear
