Facts

- Live up to the increased requirements on work safety and provide for optimised non-slip protection, safe footing and a comfortable stance on our step ladders
- The step padding made of grooved plastic is clipped onto the step to cover the whole surface and is custom-fit; it can be removed again without damage to the ladder and leaving no residue
- The clip-step tread cover is applied to step ladders up to the maximum accessible step according to DIN EN 131 and thus functions as a visual check for the correct use of the ladder

Scope of supply

- Clip-step step paddings (different lengths): 10 x
- Assembly instructions: 1 x
