Facts

- The clip-step R 13 step padding is a certified, non-slip covering for our step ladders. With its plastic profile with aluminium oxide particles, the clip-step R13 step padding meets the specifications of classification group R13 and was classified as V6 for the displacement space in this classification group
- The clip-step R 13 step padding provides extra workplace safety, particularly in wet or oil-contaminated work environment

- The clip-step R13 step padding is clipped onto the step to cover the whole surface and is custom-fit; it can be removed again without damage to the ladder and leaving no residue
- The clip-step tread cover is applied to step ladders up to the maximum accessible step according to DIN EN 131 and thus functions as a visual check for the correct use of the ladder

Scope of supply

- Clip-step R13 step paddings (different lengths): 9 x
- Assembly instructions: 1 x
