Description

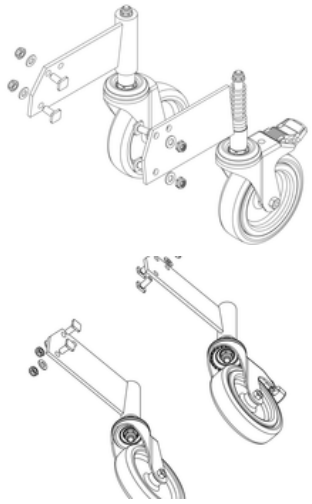

Our high-quality spare parts are specially developed to ensure the functionality and safety of our products in the long-term. Made from robust materials and manufactured to the highest quality standards, they offer the usual reliability that the MUNK brand stands for. The simple assembly and compatibility with the respective base products makes replacing quick and easy.

To find the right spare part, we recommend opening the product details page for the corresponding base product and using the spare parts list.

We reserve the right to make technical changes and price changes.

Rely on our proven quality: Safety. Made in Germany.
