Facts

- Comfortable standing: The special geometry of the step padding provides a cushioning effect on the front edge of the step and thus increases the comfort for the user – especially when working on the ladder for longer periods
- Comfortably supporting oneself on the next step makes work easier and increases safety, as the soft step padding provides a pleasant and secure hold
- The Relax step padding is available as an option for many step ladders. Look for the addition of clip-step Relax after the product name.

## Scope of supply
