

Order no.: 930202

# M5 slot nut 8 mm slot

# Specification

Material	Weight/piece	Groove size	ISO thread	Dimension A
Galvanised steel	7 g	8 mm	M5	13.3 mm
Dimension B 22.3 mm	Dimension C 7.4 mm	Order no. 930202		

### **Facts**

- High-strength steel slot nuts
- For assembling profiles, construction parts and accessories in a range of positions
- Particularly suitable for exposure to dynamic stresses
- Slot nuts are swivelled into the side of the profile slot or inserted into the front

## Description

The connecting element for every profile size! MUNK Profiltechnik slot nuts made of galvanised steel enable force-fit connections of profiles, accessories and construction parts – with M5, M6 and M8 threads suitable for all T-slot sizes.

Universally applicable for all profile combinations

- For 6 mm slots: M5 and M6 threads (17×10 mm, 5 g)
- For 8 mm slots: M5, M6 and M8 threads (13.3×22.3 mm, 7 g)
- Galvanised steel: Corrosion protection for continuous use in industrial and outdoor applications

 High-strength design: Particularly suitable for dynamic loads

#### Flexible installation without machining

Sliding blocks are swivelled into the profile groove from the side or inserted from the front – ideal for initial installation and subsequent extensions. No drilling or machining of the profile is necessary.

### Typical areas of application

- Machine frames: Force-fit fastening of panels and accessories
- Enclosures: Flexible installation of protective glazing and doors
- Workstations: Variable positioning of shelves and tool holders
- Automation technology: Secure mounting of sensors and actuators
- Conveyor technology: Dynamically stable connections in moving structures

Discover MUNK slot nuts – the universal basis for force-fit T-slot connections that fit perfectly today and can be flexibly repositioned tomorrow.

### Scope of supply

Slot nut: 1 x

## Information on sustainability criteria

Corporate certification: ISO 9001

Corporate certification: ISO 14001

Corporate certification: EN 1090

Corporate certification: EcoVadis

RoHS

REACH

- The MUNK Group complies with a Code of Conduct
- The Supply Chain Act does not apply due to our size
- The materials used are listed in the technical specification
- Resource-saving production: own photovoltaic systems
- Energy-efficient consumption during production: LED lighting
- Repairability, durability and quality: 15-year warranty on series products made in Germany
- Recyclability: Our products are mostly made of aluminium, steel or wood and can be fed directly into the recycling process.
- Socially acceptable working conditions in production: fair wages, gender equality
- Economical and recyclable packaging: no use of polystyrene, predominantly use of wood and cardboard, small amounts of plastic
- No health hazards for the users
