Identification sticker for fall protection device

Specification

| Outer width 170 mm | Height 95 mm | Material Plastics | Transport dimensions 20 x 20 x 1 mm, 1 kg | Business division MUNK Günzburger Steigtechnik |
|-----------------------|-----------------|----------------------|--|--|
| Order no. 019107 | | | | |

Facts

- Easy-to-understand identification for increased safety
- Supports compliance with safety regulations and standards
- For attachment at every entry and exit point for vertical ladders in accordance with DIN 18799-1 and DIN EN ISO 14122-4 and for vertical ladders with fall protection

Scope of supply

■ Plate: 1 x

Information on sustainability criteria

Corporate certification: ISO 9001

Corporate certification: ISO 14001

Corporate certification: EN 1090

Corporate certification: EcoVadis

- RoHS
- REACH
- The MUNK Group complies with a Code of Conduct
- The Supply Chain Act does not apply due to our size
- The materials used are listed in the technical specification
- Resource-saving production: own photovoltaic systems
- Energy-efficient consumption during production: LED lighting
- Repairability, durability and quality: 15-year warranty on series products made in Germany
- Recyclability: Our products are mostly made of aluminium, steel or wood and can be fed directly into the recycling process.
- Socially acceptable working conditions in production: fair wages, gender equality
- Economical and recyclable packaging: no use of polystyrene, predominantly use of wood and cardboard, small amounts of plastic
- No health hazards for the users
