

Order no.: 930401

M6-12 pan head screw

Length [mm]

- 12
- 16
- 20

Specification

ISO thread M6	Screw drive Hexagon socket	Dimension L 12 mm	Material Galvanised steel	Order unit pcs.
Order no. 930401				

Facts

- Pan head screw with hexagon socket
- Metric standard unified thread
- With flange/collar
- No washer required
- DIN 7380-2

Description

The versatile standard for medium loads! The MUNK M6 pan head screw with hexagon socket combines optimum load-bearing capacity with an attractive appearance – available in three proven lengths for the most common construction tasks.

Technical key data M6

- Head diameter: 10.5 mm – balanced ratio of stability and appearance
- Head height: 3.3 mm – robust with compact design
- Drive: Hexagon socket SW4 – secure screw connection even at higher torques

- Available lengths: Three optimised standard lengths for typical applications
- Material: Galvanised steel with high fatigue strength

Ideal applications

- Universal profiles: 30 mm and 40 mm constructions, machine frames
- Loaded connections: Conveyor systems, workstations, automation technology
- Standard fastenings: Panels, covers, accessory components

Scope of supply

- Pan head screw: 1 x

Information on sustainability criteria

- Corporate certification: ISO 9001
- Corporate certification: ISO 14001
- Corporate certification: EN 1090
- Corporate certification: EcoVadis
- RoHS
- REACH
- The MUNK Group complies with a Code of Conduct
- The Supply Chain Act does not apply due to our size
- The materials used are listed in the technical specification
- Resource-saving production: own photovoltaic systems
- Energy-efficient consumption during production: LED lighting
- Repairability, durability and quality: 15-year warranty on series products made in Germany
- Recyclability: Our products are mostly made of aluminium, steel or wood and can be fed directly into the recycling process.
- Socially acceptable working conditions in production: fair wages, gender equality

- Economical and recyclable packaging: no use of polystyrene, predominantly use of wood and cardboard, small amounts of plastic
- No health hazards for the users
