Sicherheit. Made in Germany.

## Added value

### Industrial grade

- Robust design for demanding applications
- Use of high-quality and high-strength materials

### Variant diversity

- Step stools with basic constructions made of aluminium rectangular tube slide-rails or steel round tube
- Welded and bolted versions
- Various step and platform designs

### From small to large

- The right product for every application
- One-sided and two-sided variants

### Non-slip plastic shoes

- Ensure secure stance
- High impact and abrasion resistance
- Simple replacement in the event of wear

### Added ergonomics

- Integrated or retrofittable castors for easy movement from place to place
- Handles for ergonomic handling
- Foldable products for easy transport
